

“AOD Crash Course” – One Day Introduction to AOD

WHERE: 'Biala' City Community Health Centre
4th Floor, 270 Roma Street,
Brisbane QLD 4001

DATE: 14th June 2018

TIME: 09:00am – 04:30pm

This introductory workshop is designed for new and/or non-specialist workers who want to develop a better understanding of how psychoactive drugs work alongside a basic knowledge and skillset in how to support people who may be experiencing problematic substance use.

Topics covered include:

- history of substance use, statistics, prevalence and rates of use
- foundational theories and concepts
- aims and objectives of AOD treatment
- overview of the evidence - what works and what doesn't...
- basic assessment and brief intervention
- basic harm reduction and managing intoxication
- personal safety, managing boundaries and maintaining self care
- making great referrals - where to go for more information, training and support

Registrations are essential. To register visit
