

Crystal Clear: Responding to Methamphetamine Use

WHERE: Training and Development Room,
Roma Hospital
197-243 McDowall Street
Roma QLD 4455

DATE: 31st July 2018

TIME: 08:30am – 12:30pm

This **half day** workshop is designed to assist frontline health and community service practitioners who work in treatment or casework support roles to better understand and respond to the specific needs of clients who use methamphetamine.

Topics covered include:

- overview of meth/amphetamine: what it is and how it affects the body
- history, statistics, current trends and rates of use
- risks, harms, dependence, intoxication, withdrawal and psychosis
- harm reduction and evidence-based treatment options
- overview of new "Meth-Check" treatment tools
- supporting families and significant others
- designing services to better respond

Registrations are essential. To register, please visit:
