

## **AOD Crash Course: A One Day Introduction to AOD**

**WHERE:** Freshney House 1,  
Toowoomba Hospital Campus,  
154 Pechey Street,  
South Toowoomba QLD 4350

**WHEN:** 30<sup>th</sup> October 2018

**TIME:** 09:00am – 04:30pm

This introductory workshop is designed for new and/or non-specialist workers who want to develop a better understanding of how psychoactive drugs work alongside a basic knowledge and skillset in how to support people who may be experiencing problematic substance use.

### **Topics covered include:**

- history of substance use, statistics, prevalence and rates of use
- foundational theories and concepts
- aims and objectives of AOD treatment
- overview of the evidence - what works and what doesn't...
- basic assessment and brief intervention
- basic harm reduction and managing intoxication
- personal safety, managing boundaries and maintaining self care
- making great referrals - where to go for more information, training and support

Bookings are essential. To register for this workshop, please go to:
