

## AOD in Pregnancy, Birth and Beyond

**WHERE:** Floor 4, 270 Roma Street  
'Biala' City Community Health Centre  
Brisbane QLD 4001

**WHEN:** 29<sup>th</sup> April 2019

**TIME:** 09:00am – 01:00pm

This workshop is targeted towards alcohol and other drug workers as well as other health professionals who are working with substance using pregnant women and who wish to develop their knowledge in the area of substance use in pregnancy and the newborn.

This workshop will cover:

- Understanding the impacts of substance use on pregnancy – the big picture
- Motherhood and substance use - the most commonly reported drugs and their effects on pregnancy and the newborn
- The importance of case management in midwifery care
- Reporting child protection concerns for the unborn baby

Bookings are essential. To register for this workshop, please go to:
