

QLD Opioid Treatment Program (QOTP)

Online Prescribers Course

This is a free, self-paced module for GPs, Medical Practitioners and Nurse Practitioners who are seeking to become authorised to prescribe opioid treatment in Queensland.

Access the training by visiting the QOTP Toolkit on this page - <https://insight.qld.edu.au/toolkits> or by following the instructions from the relevant category below.

IF YOU DO NOT HAVE AN INSIGHT ACCOUNT

1. Visit www.insight.qld.edu.au and click sign up in the top right.
2. Fill in your details and choose Medical Officer or Nurse Practitioner for the question: *What is your professional background / discipline?*
3. Enter your valid AHPRA number
4. Visit eLearning from the horizontal menu along the top of the page.

IF YOU DO HAVE AN EXISTING INSIGHT TRAINING ACCOUNT

1. Login to www.insight.qld.edu.au by clicking sign in in the top right of the screen
2. Visiting your profile area by clicking PROFILE in the top right
3. Click Your Details in the left hand navigation
5. Ensure your details are correct including that you have answered Medical Officer or Nurse Practitioner to the question *What is your professional background / discipline?* And that you have entered a valid AHPRA number.
6. Visit eLearning from the horizontal menu along the top of the page.

The training course will cover:

- assessment of a patient with possible opioid dependence
- protocols for commencing patients on buprenorphine and methadone safely and effectively
- opioid replacement, maintenance and withdrawal.

Completion of the course involves:

- online module
- post course exam
- full day clinical attachment.

For queries about accessing the course please contact Insight on 07 3837 5655 or by email to insight@health.qld.gov.au

The QOTP Prescribers Course is accredited for CPD points with both RACGP and ACRRM.
