

WORKSHOP INFORMATION

Insight is the leading provider of alcohol and other drug training, education, information and advice for workers and services across Queensland. We provide progressive learning opportunities ranging from introductory level through to specialised discipline-specific professional development courses. We are committed to providing best practice, evidence-based clinical training and support for the state's alcohol and drug workforce.

Workshop Bookings

All bookings are managed online through our "Training" page at www.insight.qld.edu.au. Bookings are essential. Participants must wait to receive a booking confirmation notice before they can be assured of their successful registration. Early registration is recommended as workshop places are limited. Set places are allocated to Queensland Health and non-Queensland Health employees for most workshops. Restrictions apply on the number of registrations accepted from a single organisation for each event, managed on a case-by-case basis. If events are over-subscribed, Queensland based workers from specialist alcohol and drug services will be given priority places followed by mental health, hospital, community health and other frontline support workers.

Waiting lists

Our online booking system features an automated waiting list service for most training events. If an event you wish to attend is sold out and no waiting list option appears, please express your interest by emailing insight@health.qld.gov.au.

Fees for training

There is no charge to attend our training events for either Queensland Health or non-government employees.

CPD points and Certificates

Participants attending Insight workshops are able to gain CPD hours. See individual core skills training workshop for PD endorsement and visit the AHPRA website: www.ahpra.gov.au for further information. All participants attending Insight workshops will receive certificates to acknowledge their attendance. Participants attending core skills workshops will be required to meet core skills requirements to obtain a certificate of course completion. Please note: Full attendance at the workshop is required to receive a certificate of attendance/completion.
